

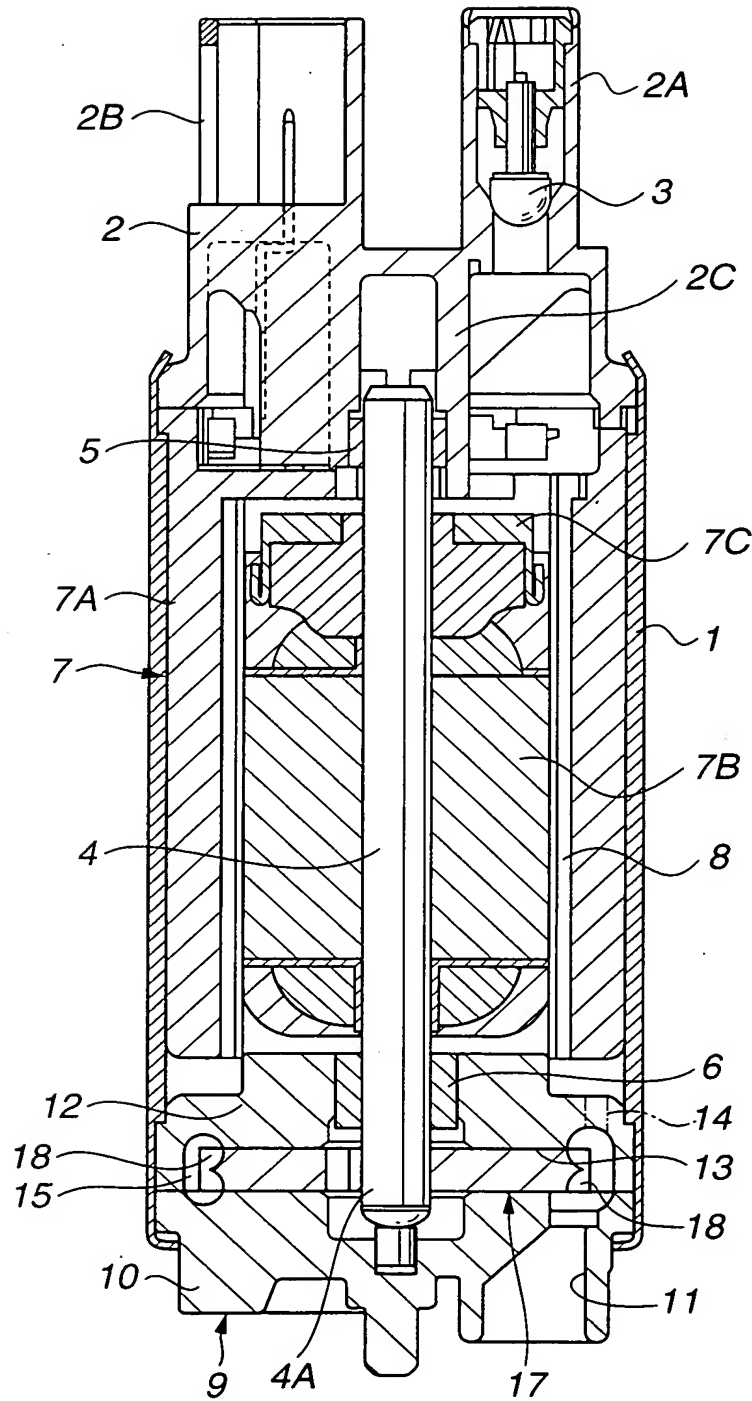

FIG.1

A detailed cross-sectional view of a mechanical assembly, likely a valve or pump component, taken along a vertical centerline O-O. The assembly consists of several main parts: a central shaft 4, a surrounding sleeve 6, and a complex housing 1. Internal components include a horizontal member 13, a lower body 10, and various seals and guides represented by labels like 12, 12A, 12B, 14, 15, 17, 17A, 17B, 18, and 21. Section lines 3-3 are shown on both the left and right sides, indicating the plane of sectioning.
